

Team Contribution

Jakson Zapata

- Global variables, function prototypes, struct and given function (35-66).
- Did a basic print_trace function (later redone/improved by Jacob)
- Did Table 2: PM/0 Arithmetic and Relational Operations (188-266)
- Debugged and tested outputs

Jacob Smith

- Redid/improved the print_trace function to match the expected outputs (69-118)
- Did Table 1: PM/0 Instruction Set (Core) (180-186, 268-356)
- Debugged and tested outputs
